2022 BRITISH NATIONAL CHAMPIONSHIPS - RULES OF THE COMPETITION

- 1** A dancer's age group will be determined as from 1st January 2022.
- 2** Entries will only be accepted from dancing teachers registered with An Coimisiún Le Rinci Gaelacha for the year 2021/2022 only.
- 3** The adjudicators' decision is final. Only members of the North West Teachers Association and those officially assisting them in the running of the championships may approach the adjudicators during competitions.
- 4** Complaints will only be accepted from registered teachers, in writing, and must be accompanied by a fee of £50.00, which may be refunded if the North West Teachers Association upholds said objection.
- 5** Teachers are advised that all details required on the entry forms must be completed. Entry forms received in contravention of this rule will be returned.
- 6** All competitors must be ready to dance 30 minutes prior to the published time. They must also report to the stage stewards promptly and dance in the prescribed order. Failure to report in time to dance in order will lead to disqualification. Competitors are strongly advised to check the timetable for last-minute changes to times or halls, both leading up to the event and on the day of competition.
- 7** In all rounds, the minimum speeds of music as laid down by An Coimisiún will apply.
- 8** The recall in solo championships will be as follows –
 - * Under 6, 7, 8 & 9 – 100% Recall
 - * From Under 10 upwards - 50% recall of the number of dancers entered up to a maximum of 50 competitors.
 - * NW Teachers Association reserve the right to amend this percentage
- 9** The onus of ensuring that the stage steward is informed of the correct name and metronomic speed of the nominated open set dance will rest with the competitor.
 - * An incorrect metronomic speed submitted for an open set dance can only be changed prior to the commencement of the open set dance round.
 - * Introduction to open set dances will be played only once and no alteration in that speed of music will be permitted.
 - * Should a competitor commence dancing to an incorrect metronomic speed submitted to the stage steward then that competitor must continue to dance at that speed as no further opportunity of tempo change will be afforded.
- 10** In the event of a mishap on stage, e.g. a heel or shoe coming off, the dancer should retire to the back of the stage and remain there, allowing the other dancer(s) to continue with their performance. If a dancer fails to comply with this direction and leaves the stage, then he/she will be deemed to have failed to complete the round and will be eliminated from the championship
- 11** Should a dancer fall and the stage situation be that he/she inhibits the performance or safety of other dancers on stage, the bell will be rung and the group will be permitted to dance again. Should the fall happen in the last 16 bars of the dance then the dancer/s will be required to redance the last 16 bars only.
- 12** If a competitor sustains injury or illness during the course of a competition, and the organisers have reason to believe that such an illness or injury could be exacerbated by continued participation, he/she will be advised to retire from the competition. If this advice is ignored, then prior to continuation, the dancer (or in the case of a child or young person (5 to 17 years) an appropriate adult) will be required to sign a disclaimer form, which will be retained in the event of a possible future enquiry.
- 13** Any competitors found to be using artificial carriage aids will be requested to remove same. In the case of refusal, disqualification will follow. In the case of medical apparatus, this will be permitted upon the production of a letter from a medical practitioner or other documentary evidence in support, to prove authenticity and the requirement for the aid to be used or worn.
